The Concerned Automotive Retailers Political Action Committee (CARPAC) was formed to preserve and promote your business interests in Nashville. CARPAC is a bipartisan committee that exists to protect your interests. TAA fights to make certain that the voice of the Tennessee car and truck dealer is heard. TAA works full-time to ensure that:

- ◆ The Tennessee Franchise law continues to be one of the strongest in the country.
◆ Tennessee Dealer Trust Fund statute is preserved.
◆ The Tennessee fee disclosure statute is preserved.
◆ The Tennessee Truth-in-Lending statute is preserved.
◆ Tennessee venue for dealer/manufacturer disputes.
◆ Tennessee Consumer Protection lawsuits are not subject to class actions.
◆ Motor vehicle-related sales tax exemptions, including trade-in allowances, are preserved.
◆ Keeping California Emissions Standards out of Tennessee.
◆ Changes in tax laws and policies are applied prospectively, i.e. business tax.

Your contributions are used to provide financial assistance to candidates who support Tennessee's car and truck dealers.
